

PAYE Anytime

This document was last updated June 2017

From 17 June 2017, our PAYE Anytime service will no longer be available. This service was first released back in 2005 and cannot be easily accessed on mobile devices such as smartphones or tablets.

You will now be able to do all your PAYE business online in our enhanced PAYE Services in myAccount which can be accessed on all mobile devices.

You can:

- manage your tax for the current year
- review your tax for the previous 4 years
- request an End of Year Statement (P21)
- add a job or pension.

You will also be able to view your Tax Credit Certificates and End of Year Statements (P21) for the current and earlier years in our new My Documents service in myAccount.
